UNIQUE CHALLENGES

Bon Builders also creates custom high-end homes for their clients. This Homerama Home was sold during construction. It features three bedrooms, custom floor plan with walkout basement. Bon Builders has several building lots available for your new custom home. Contact Bon Builders to see how they can create a custom home to meet your family's life-style and needs on their lot or on yours. Bon is especially good at asking the right questions to learn how your house needs to reflect your needs and will then design and build accordingly.
