## WORSHIP

### THE HANGER VANDALIA FIRST BAPTIST CHURCH

NORTH DIXIE HIGHWAY VANDALIA, OH 45377

#### COMMON GROUND

Coffee shop and informal gathering area

#### FULL COURT BASKETBALL COURT

With bleachers upstairs.

#### CLASSROOMS ON UPPER AND LOWER LEVELS

## CASE STUDY

Youth facility that is directly across the street from the Vandalia Butler High School, whose mascot is The Aviator. The First Baptist Church, when starting, meet in an aircraft hanger. Dana Shoup, AIA designed the youth facility to emulate an aircraft hanger for that reason.

### PROJECT SPECIFICATIONS

- 20,340 total square feet
- Basketball court, coffee shop, kitchen classrooms, and offices
- Second floor viewing and classroom area mezzanine
- Complete project – 10 months

### UNIQUE CHALLENGES

Special construction methods were utilized to construct The Hanger on an engineered filled site. The curved roof was designed to create a specific look to the building while keeping within budget limits. On this project, Bon Builders worked with the congregation as they provided volunteer construction assistance.

### CLIENT SATISFACTION

"The building is extremely attractive and is open everyday after school. Kids love this place...and is just what we needed"
