- 26,000 total square feet
- New thermal windows
- Complete repair and re-plaster of walls and ceilings
- New electric, plumbing, and HVAC
- Repair of terrazo flooring
- New commercial kitchen
- Complete project – 11 months

UNIQUE CHALLENGES

Keeping prices for two years while funds were raised and enlarging an elevator shaft for a larger elevator than were on architect supplied prints were among the construction challenges on this project.

CLIENT SATISFACTION

"Bon Builders did a wonderful job in bringing life back to this historic building that is now used almost on a daily basis."
